

## Charla of Respect

Name-J-Parish

Ice Breaker:

Who in here has ever felt lonely?

Who in here has ever felt not worth it anymore?

Who in here has never felt loved?

(Today I will inform you about how much Gods love is for us and how we should love others as we do ourselves) Maybe not to say\*

As seen in The Shack that we watched 3-4 weeks ago God's love for us is so powerful and so gracious that we cannot understand. Mac a man whom has had a tough past and suffering from the loss of his daughter was depressed. Mac had lost all hope and thought he wasn't loved even by his own children anymore. God showed him otherwise and wanted Mac to know that when he's so sorrowful about his own self he lost sight of God.

As said a few seconds ago God's love and mercy does not have any limits and

According to St. Augustine God is Love, & Love is God

In 1 Corinthians 10:13 (Read)

God would never put us through something we cannot handle

Reflecting back upon the movie “Father Holy Spirit” had mention that sin is the reason why everything happens and no one is immune to it. we often choose what’s right and wrong and we become the deciders and our neighbors “good” conflicts with ours

Activity: ‘write nice things on a piece of paper that you would like to write to yourself

-bulletpoints and about half a page long

Going back to the charla, we are created to love. In a way we are created to love just as birds were created to fly. Without wings birds cannot fly and feel useless. The same thing goes for us as humans, sometimes we don’t have that special person in our lives and we feel useless.

This is where we lose sight of God again we feel that we are not loved once again. the question is how do we get passed that, how do we experience true love.

### Testimony

True Love is in your hearts, we must realize that we are not alone, and that we are all here for each other .

Throughout our lives we all promised to have Jesus with us right?

Who has ever heard the term “Your body is a temple”

Well it’s true whatever we receive mentally and physically reflects our psyche and reflects us as young Catholics

1 Corinthians 6:19

19Do you not know that your body is a temple of the Holy Spirit who is in you, whom you have received from God? You are not your own; 20

Another thing we must do is always keep our temples clean.

Whether it means eating healthy

Committed to prayer

Church oriented

Followers of commandments

but Most of all we must try our very bests to stay away from sin

God loves us so so much that no one can explain that love or compare to it

We must always remember that

So before we think that no one loves us look at the cross

look at the cross when you are in doubt

look at the cross when you depressed

look at the cross and Thank God for the opportunities He has given you

look at the cross and Thank God for a spirit of not fear but courage

look at the cross and Thank God for everlasting life

If we truly accept this then we should feel that love everyday and with the people around us.
