

SAFE ENVIRONMENT FOR ADULTS

The Jornada Movement takes safety and security of our members very seriously.

As a reminder, it is important to understand that engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others; or suffer substantial emotional distress is a violation of diocesan policy.

The Jornada Movement is committed to providing an environment that is free from sexual misconduct of any kind, including but not limited to, sexual harassment, sexual assault, and sexual exploitation, domestic violence, dating violence, and stalking. The Movement will not tolerate sexual misconduct in any form; any leader or member, Jornadista or Pre-Jornadista, found in violation of this policy will be subject to criminal action. This policy applies to all Movement-related activities both on and off church property. The Jornada Movement is committed to the respect of every individual. Any member that has been subjected to sexual misconduct will be provided with support, both internal and external of the movement.

Resource Information: Jornadistas are encouraged to contact the diocese if they are followed, monitored, observed, threatened, or are receiving repeated unsolicited contact from any member of the movement, **1-888-634-4499**.
